

KNOW THE CONSTITUTION

UNIQUE FEATURES OF THE DOCUMENT - (4)

✓ PEOPLE DECIDE EDUCATION

A Board of Education and a Board of Regents each with 5 members are elected by the people from 5 educational districts. A student representative to each board will be selected. The boards must coordinate educational policy for the island.

✓ RATIONAL DEVELOPMENT OF NATURAL RESOURCES

Conservation and preservation of land, water, and other natural resources must benefit the people of Guam.

✓ TAXES CAN SERVE BETTER PURPOSE

Money collected and appropriated by the Legislature is designated for a particular public purpose. The public debt is limited.

✓ CHAMORRO CULTURE PROMOTED

The study and development of Chamorro culture, language, tradition, or customs must be promoted to the advantage of the people of Guam.

✓ HIGHER STANDARDS IN GOVERNMENT SERVICE

A code of ethics for public officials must be enacted and enforced. Likewise, the Merit or Civil Service System must be advanced. Government must provide Social Services, including health care to the needy.

✓ PEOPLE CAN MAKE LAWS

Through the initiative procedure, the people have the right, like the legislature to pass laws. By their own choice, the people can also remove public officials.
