MEMORANDUM

To: Bill of Rights Committee Members
From: Chairman
Subject: Meeting with academic community

Before the Bill of Rights Committee submits its final proposals for adoption, the advice of those affected by these proposals will be sought. We have previously met with interest groups and had fruitful discussions on our proposals.

The issue of academic freedom has yet to be aired in a discussion with persons from the University of Guam; therefore, this is the subject of our next meeting. Members of the university's Academic Advisory Council and the officers of the student government have been invited. (This letter of invitation and a list of those to whom it was sent are enclosed.)

The meeting will be on THURSDAY, FEBRUARY 26, at 7:30 p.m. at Convention headquarters. Please make every effort to be in attendance, as we expect a number of guests to come.
