CORRECTION OF THE JOURNAL:

The chair announced that the journals of May 17 and 18 have been distributed.

On the journal of May 18, delegate T. Frank Flores suggested that the number "28" after the dash following his name under "Roll Call" be separated by more dashes so that it will not be interpreted that such is his age. The chair advised that his suggestion is noted.

Delegate Theodore Nelson moved that the journals of May 17 and 18 be approved subject to correction. The motion was seconded and, without objection, carried.

PRIVILEGE OF THE FLOOR:

Under this order of business, delegate Jesus L. Perez moved, seconded by delegate Antonio Yamashita, that the news article entitled "The Colonial Era: Manning the Helm of U.S.S. Guam", appearing in the "ISLANDER" portion of Sunday's paper, be appended to the journal. Without objection the motion was carried. (See Appendix I)
